Delta Filters & Separators Pvt Ltd

B-101 Sanpada Station Complex

Sanpada, Navi Mumbai 400 705 INDIA

Dear Sirs,

This is with reference to the supplies made by you:

DELTA Water Injection Filters for Crude Oil Wells

Qty: 15 Filters

Design Code: ASME Sec VIII Div 1

Flow Capacity: 0 to 50 Cubic Meter / Hour

Filtration Rating: 40 Micron

Test Pressure: 165 Bar, with 900 Class Flanged Ends

for our projects in the Oil & Gas Industry. We are pleased to state that DELTA Water Injection Filters are working satisfactorily as per the feedback from the Oilfield asset owners.

With Best Regards,

Director,

AMA International

Abdel Hadi E.Magid
