

Delta Filters & Separators Pvt Ltd.

An ISO9001:2015 Certified Filtration Company

COMPANY PROFILE

www.deltafilters.com

Est: 1994—Celebrating 25+ Years of Service

About us:

- Established in 1994 by Chief Scientist from Bhabha Atomic Research Centre
- Focused in Air, Gas & Liquid Filtration & Separation Technologies
- ISO9001:2008 Certified Manufacturer of Filtration Equipment
- Strong Technical Leadership coupled with Well Equipped Manufacturing Facility at Khalapur, Maharashtra, India
- Effective Design, Manufacturing & Supply Chain systems in place
- Large Installation Base across the world for Natural Gas Filtration, Gas/Liquid Separation, Aviation Fuel/Water Separation

Est: 1994—Celebrating 25+ Years of Service

Background:

Late Mr. M.P.Kini, Founder

- Nuclear engineer at Bhabha Atomic Research Centre for over 38 years
- Maintenance Superintendent for all nuclear reactors at BARC
- Industry leading expertise in filter design & ASME coded pressure vessel design.
- Founded Delta Filters & Separators Pvt. Ltd. in 1994
- Member, Indian Nuclear Society & Indian Institute of Plant Engineers

Ajit Kini, Director (Engineering)

- Masters Degree in Nuclear Engineering from The Ohio State University.
- Research Associate on Electric Power Research Institute, Palo Alto, California sponsored project
- New Product Development Engineer Anadigics, New Jersey: Leading communication IC company
- Published two research papers: 1) High Volume Semiconductor Manufacturing. IEEE
2) Nuclear Waste Disposal Methods. Spectrum Conference

ISO9001:2015 Certified Manufacturer
Est: 1994—Celebrating 25+ Years of Service

Project Manager:

Mr. Pankaj Rana

Project Manager

- B.E. (Mechanical Engineering) from Ranchi University.
- ASNT Level II Qualified
- Trained at BHEL, Koderma Unit
- Successful execution of over 200 Projects at Delta Filters
- Strong track record in Project Management, Quality Control and Execution

ISO9001:2015 Certified Manufacturer
Est: 1994—Celebrating 25+ Years of Service

Markets Served:

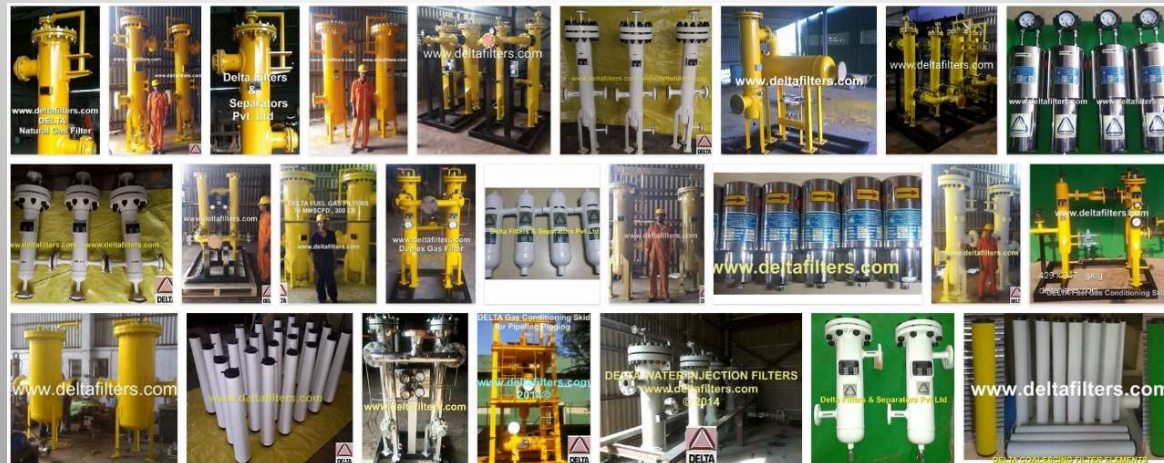

www.deltafilters.com

ISO9001:2015 Certified Manufacturer
Est: 1994—Celebrating 25+ Years of Service

Product Range:

- ❑ Diesel Water Separators
- ❑ Natural Gas Filters
- ❑ Basket Filters
- ❑ Compressed Air Filters
- ❑ Moisture Separators for Compressed Air
- ❑ Tee Type and Y Type Strainers
- ❑ CNG Gas Filters for Compressors, Dispensers and Skids
- ❑ SS304 / SS 316 L Sintered Filters
- ❑ Simplex and Duplex Filters
- ❑ Compressed Air Receivers and Tanks

CODES AND TESTING:

- ☐ ASME SEC VIII DIV 1 : Pressure Vessel Design Code
- ☐ ASME SEC IX : Welding Code
- ☐ ASME SEC V : Non Destructive Testing Code
- ☐ Welding as per SGS Approved WPS / PQR/ WPQ
- ☐ 100% Weld Radiography for all Butt Weld Joints
- ☐ 100% Dye Penetrant Test for all Weld Joints
- ☐ 100% Dimensional and Visual Test
- ☐ 100% Hydrostatic Test with Calibrated Pressure Gauge
- ☐ 100% Paint Dry Film Thickness Test with Calibrated DFT Meter
- ☐ All MTC, Radiography Reports, DP Test Reports, Hydro Test
- ☐ Dimensional Test Reports, DFT Test Report
