07th August 2018

Dear Sirs,

Myan Shwe Pyi Tractors Limited owns and operates MSP CAT, Myanmar's Caterpillar dealership. MSP CAT is a total solution provider, offering the lowest costs for the lifecycle of heavy machine equipment and power systems equipment while giving the best product support available through our customer service and training.

Delta Filters & Separators Pvt Ltd, India supplied us

DELTA Coalescing Gas Filters

Flow Rate: 16 Million Standard Cubic Feet per Day

Design Pressure: 30 Bar-G

Line Size: 6" NB x 300 Class Flanged

Qty: 2 Nos

against our Purchase Order No: DFS/2016/1515/Rev04 dated 23 Dec 2016. Both Filter were successfully commissioned in July 2017. We are pleased to state that DELTA Coalescing Gas Filters are working to our satisfaction since commissioning. We would be happy to consider DELTA Filters for future projects as well.

Best Regards,

Kyaw Htut Oo (+95 9775999567)
